

Technician Position

HR EXCELLENCE IN RESEARCH

Agrotecnio is committed to a diverse and inclusive work environment. Employment is assessed on the basis of qualifications, competence, integrity and organizational needs, in accordance with the HRS4R certification requirements. Women are strongly encouraged to apply.

Following the open call for technician published on the 18th March 2026 within the frame of COSMOS project and in line with research activities of the center Agrotecnio, the selection committee met in Lleida on 16th April 2026 and evaluated the profiles of the applicants. After due consideration the committee selected:

-Dra. Giada Centenaro

The selection committee stated that “Her background closely matches the position requirements. Concretely, the applicant will be in charge of the process of the data obtained in the molecular biology lab for the external metabarcoding analysis, the revision of the dataset received by the external company, bioinformatic analysis and statistical analysis and finally, scientific writing in the desk room.”

The contract will be from June 1st 2026 to December 31st 2026.

The contract cost will be funded from the PROYECTOS DE COLABORACIÓN INTERNACIONAL CONVOCATORIA 2025-1 “COORDINATED OPTIMIZATION FOR SUSTAINABLE MEDITERRANEAN AGROFORESTRY WITH TRUFFLES AND HIGH-VALUE SPECIES” REFERENCIA: PCI2025-163242

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 17th April 2026
