

FIRST CALL RESOLUTION: Postdoctoral Position in Animal Nutrition (1)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 13

The committee has rejected due to not sending all documentation or not accomplishing the mandatory requirements:

Other candidates

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

FIRST CALL RESOLUTION: Technologist in Animal Breeding (1)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 1

Candidate 3

The committee has rejected due to not have enough academic and professional merits related with the position:

Candidate 2

Candidate 4

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

FIRST CALL RESOLUTION: Technologist in Forest Pathology (2)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 3

The committee has rejected due to not have enough academic and professional merits related with the position:

Candidate 1

Candidate 2

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

FIRST CALL RESOLUTION: Technologist in Field Forest Pathology (3)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 4

Candidate 5

The committee has rejected due to not have enough academic and professional merits related with the position:

Candidate 1

Candidate 2

Candidate 3

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

FIRST CALL RESOLUTION: Technologist in Plant Phenomics (4)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 2

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 1

The committee has rejected the candidatures because the candidates have not enough education and experience in agriculture and very few of the desired topics:

Candidate 2

Candidate 3

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

FIRST CALL RESOLUTION: Technician in Environmental Chemistry (2)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected all candidates for an interview and qualified previously their CVs:

Candidate 1

Candidate 2

Candidate 3

Candidate 4

Candidate 5

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

FIRST CALL RESOLUTION: Technician in Crop Physiology (3)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 3

Candidate 5

The committee has rejected the candidatures because the candidates have not enough experience and studies in the desired topics:

Candidate 1

Candidate 2

Candidate 4

Candidate 6

Candidate 7

Candidate 8

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

FIRST CALL RESOLUTION: Technician in Animal Breeding (4)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 1

Candidate 3

Candidate 4

Candidate 7

The committee has rejected the candidatures because the candidates have not enough education in the desired topics:

Candidate 2

Candidate 5

Candidate 6

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

FIRST CALL RESOLUTION: Technician in Animal Nutrition (5)

The evaluation committee has carefully evaluated the merits and academic background of the candidates for the position offered with the blind CVs screening by AGROTECNIO (deadline on September 30th, 2022). As a result of the first step of the selection process the committee has selected for an interview:

Candidate 3

The committee has rejected the candidatures because the candidates have not enough education in the desired topics:

Candidate 1

Candidate 2

Candidate 4

Candidate 5

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.
