

# Call Resolution

Following the open call for technician in line with research activities of the center Agrotecnio published on the 12<sup>th</sup> June 2023, the responsible researcher decided on 29<sup>th</sup> June, 2023 in Lleida and evaluated the profiles of the applicants. After due consideration the committee selected:

**- LAURA LÓPEZ BUENACASA**

For the described work “We require a person studying to become a laboratory technician or having a recent title as laboratory technician. Required some experience in corn tissue culture, media preparation, sample collection and enzymatic GUS assays and DNA extraction.”

The contract will be from July 1st 2023 to October 30th, 2023.

**Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.**

Lleida, 29<sup>th</sup> June 2023

Paul Christou

Principle Reseacher
