

Call Resolution

Following the open call for technician in line with research activities of the center Agrotecnio published on the 12th June 2023, the responsible researcher decided on 29th June, 2023 in Lleida and evaluated the profiles of the applicants. After due consideration the committee selected:

- JESSICA MARITZA TIGASI

For the described work “We require a technician to carry out: the isolation of rice embryos, subculturing, and selection of embryogenic tissue for rice plant regenerations, tissue culture up to plant regeneration and transferring to soil. Sample collection, GUS assay, DNA extraction and PCR analyses”

The contract will be from July 1st 2023 to September 30th, 2023.

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 29th June 2023

Paul Christou

Principle Reseacher
