

Call Resolution

Following the open call for technician in line with research activities of the center Agrotecnio published on the 14th December 2023, the evaluation committees decided on 7th January 2024 in Lleida and evaluated the profiles of the applicants. After due consideration the committee selected for her experience and studies related with the position:

- ***Victor Ramon González***

For the described work “Determination of fat content and fatty acid composition of samples of dry-cured ham and lend support to sample collection, pre-analytical processing of experimental samples (muscle, fat and blood), preparation of databases and statistical analyses.”

The contract will initially be from January 15th, 2024, to March 31st, 2024.

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 8th of January 2024

Joan Estany Illa
President of the Evaluation Committee
