

TECHNICIAN

Agrotecnio is committed to a diverse and inclusive work environment. Employment is assessed on the basis of qualifications, competence, integrity and organizational needs, in accordance with the HRS4R certification requirements. Women are strongly encouraged to apply.

Following the open call for technician in line with research activities of the center Agrotecnio published on the 23rd April 2024, the responsible researcher decided on 10th April, 2024 in Lleida and evaluated the profiles of the applicants. After due consideration the committee selected:

- DAVID CASTRO SÁNCHEZ

For the described work “Candidates must have skills in programming (Phyton) and data analysis software like R or Power -BI. The main activity will be related with the analysis of data gathered by sensors in the experimental farm CEP (Centre d’estudis porcins) located in Torrelameu (Lleida) in view of curate data for further analysis and processing applying statistical and Artificial Intelligent methods. Analysis will be related with feeding behaviour of pigs.”

The contract will be from May 15th 2024 to November 14th, 2024.

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 10th May 2024

Jose Antonio Bonet
Director
