

TECHNICIAN

Agrotecnio is committed to a diverse and inclusive work environment. Employment is assessed on the basis of qualifications, competence, integrity and organizational needs, in accordance with the HRS4R certification requirements. Women are strongly encouraged to apply.

Following the open call for technician in line with research activities of the center Agrotecnio published on the 19th June 2024 and again the 28th August 2024, the responsible researcher decided on September 13th, 2024 in Lleida and evaluated the profiles of the applicants. After due consideration the committee selected:

- Salima Yousfi

And as candidate in hold:

-Maria Viñes

For the described work “Preparation of archaeobotanical samples for further analysis: image analysis, cleaning, archaeobotanical (caryopsides and charcoal) samples, preparation and further analysis of carbon and nitrogen isotope composition and total carbon and nitrogen content.”

The contract will be from September 16th 2024 to November 14th, 2024.

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 13th September 2024

Jose Antonio Bonet
Director
