

TECHNICIAN

Agrotecnio is committed to a diverse and inclusive work environment. Employment is assessed on the basis of qualifications, competence, integrity and organizational needs, in accordance with the HRS4R certification requirements. Women are strongly encouraged to apply.

Following the open calls for technician in line with research activities of the center Agrotecnio published on the 22nd October 2024, the responsible researcher decided on November 11th, 2024 in Lleida and evaluated the profiles of the applicants. After due consideration the committee selected:

-Ignacio Zigolo

Candidate in Hold:

-Tomas Pantoja

For the described work " The technician contracted will work in a project that aims to train advisors and farmers to integrate technological packages that are commercialized and integrate them with the decision support technology developed by Agrotecnio in the framework of integrated weed protection"

The contract will be from November 15th 2024 to July 31st, 2025.

This contract is funded by" the activitats de demostració de transferència de coneixements (intervenció 7201), en el marc del pla estratègic de la PAC 2023-2027,corresponents a la convocatòria 2023"

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, November 11th 2024

Jose Antonio Bonet
Director
