

TECHNICIAN

Agrotecnio is committed to a diverse and inclusive work environment. Employment is assessed on the basis of qualifications, competence, integrity and organizational needs, in accordance with the HRS4R certification requirements. Women are strongly encouraged to apply.

Following the open call for technician in line with research activities of the center Agrotecnio published on the 20th November 2024, the responsible researcher decided on 19th December, 2024 in Lleida and evaluated the profiles of the applicants. After due consideration the committee selected:

- DAVID CASTRO SÁNCHEZ

For the described work “Candidates must have skills in programming (Phyton) and data analysis software like R or Power -BI. The main activity will be related with the analysis of data gathered by sensors in the experimental farm CEP (Centre d’estudis porcins) located in Torrelameu (Lleida) in view of curate data for further analysis and processing applying statistical and Artificial Intelligent methods. Analysis will be related with feeding behaviour of pigs.”

The contract will be from January 13th 2025 to June 30th, 2025.

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 20th December 2024

Jose Antonio Bonet
Director
