

Communication Assistant Positions

Agrotecnio is committed to a diverse and inclusive work environment. Employment is assessed on the basis of qualifications, competence, integrity and organizational needs, in accordance with the HRS4R certification requirements. Women are strongly encouraged to apply.

Following the open call for technician in line with research activities of the center Agrotecnio published on the 14th February 2025, the responsible researcher decided on 4th March, 2025 in Lleida and evaluated the profiles of the applicants. After due consideration, because the candidate has presented all the documentation, CV and recommendation letters, asked and has the merits and accredited wide experience:

- Helena Bordes

NO Candidate in hold

For the described work “The person hired will support the communication person helping to execute Agrotecnio's communication actions in the following areas:

- Press: writing and sending press releases, media management and media impact monitoring.
- Content creation: publications on social networks (Twitter, LinkedIn, YouTube), creation of newsletters, writing and publishing web contents (WordPress, Divi template) and other audiovisual media (brochures, roll ups...).
- Design: creation of simple graphic designs for social networks and web.
- Events: organisation of science outreach events, seminars and conferences.”

The contract will be from March 9th 2025 to December 31st, 2025.

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 4th March 2025

Jose Antonio Bonet
Director
