

Technician Position

Agrotecnio is committed to a diverse and inclusive work environment. Employment is assessed on the basis of qualifications, competence, integrity and organizational needs, in accordance with the HRS4R certification requirements. Women are strongly encouraged to apply.

Following the open call for technician in line with research activities of the center Agrotecnio published on the 9th March 2026, the selection committee decided on 26th March 2026 in Lleida and evaluated the profiles of the applicants. After due consideration the committee selected:

-Núria Elias

The reason from the committee “Because her background closely matches the position requirements, particularly her degree in Food Science and Technology and her hands-on experience in dairy co-product fermentation and physicochemical analysis within research environments.”

The contract will be from May 1st 2026 to June 30th 2026.

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 26th March 2026

Jose Antonio Bonet
Director
