

Technician Position

Agrotecnio is committed to a diverse and inclusive work environment. Employment is assessed on the basis of qualifications, competence, integrity and organizational needs, in accordance with the HRS4R certification requirements. Women are strongly encouraged to apply.

Following the open call for technician in line with research activities of the center Agrotecnio published on the 3rd July 2026, now decided on 30th July 2026, in Lleida after evaluated the profiles of the applicants. After due consideration, the selection committee select for the position:

- *Jesús Fernandez*

For the described work "Agrotecnio requires support from an experienced researcher to support and participate in the execution of different agronomic transfer and research activities. Under relative supervision, the researcher will (and should) have significant autonomy in organizing and executing specific tasks within agronomic consulting contracts, field assays, and intellectual work. The position will be based in Lleida but will require travel to and coordination with partners in neighboring regions."

The contract will be from September 1st 2026 to December 31st 2026.

Foot note: Appeals against the outcome of the evaluation and selection process may be directed to the center within one month from the outcome of the call.

Lleida, 30th July 2026

Jose Antonio Bonet
Director
